COVID 19

For your safety in welcoming you back to Trevone a few changes have been introduced in order to ensure government guidelines are being followed.

BEFORE CHECK IN

Should guests feel any Covid related symptoms before arrival we are more than willing to cancel their booking up to 48 hours before check-in.

ON YOUR ARRIVAL

Please adhere to the 1+ metre social distancing rule. Hand sanitisers for your use are at the front door, breakfast room and your en-suite. Every key will be sanitised before your arrival. As we have had to remove the information booklet in your room advice will be given as to restaurant and tourist information recommendations.

GUEST BEDROOMS

The highest level of care has been taken to ensure that you have a safe stay including everything from freshly laundered (at high temperatures) linen down to sanitising the TV remote. It would be much appreciated if the hand sanitiser in your en-suite is used before coming down to breakfast and exiting/arriving Trevone. We will ask every morning if you would like your room serviced. Any single use items that have not been used will be replaced before you arrive. It is understandable if you would be more comfortable in not having your en-suite serviced. It would be appreciated if you room window is left open before leaving for the day.
